Housing Agency Procurement Assistance

Housing Agency Procurement Assistance

Dear Procurement Professional,

Within Section 14.2.F of HUD Procurement Handbook it states that GSA IT Schedule 70 is the only Federal GSA Schedule that housing agencies are eligible to procure from. I am pleased to announce that recently GSA Security Schedule 84 became eligible for housing agencies to procure from (please note that I have written confirmation from the HUD Procurement Team that Schedule 84 is indeed now an eligible Federal GSA Schedule for use by housing agencies).

I strongly recommend that any housing agency utilizing either of the GSA Schedules justify such to the file by completing a justification form for auditors to review. My version of such a justification is attached hereto (if you like this form and wish to see my other forms, all provided at "No Charge," please access my web site identified within the following paragraph).

Links to both Schedules (Schedule 70 and Schedule 84) are listed on my procurement- and contracts-mentoring website, [procurementassistance.org](http://procurementassistance.org) under the "Cooperative Purchasing link within the menu at the top of the home page. Access to and use of my web site is "No Charge." Please feel free to register and utilize all of the information within this site. If you are already registered but have not accessed the site in some time, if your password does not work, simply click on the "Forgot Username/Password?" link and a new password will be sent to your e-mail address--if you do not receive a new password within 24 hours, let me know at [gifford52@yahoo.com](mailto:gifford52@yahoo.com).

Regards,
