Housing Agency Procurement Assistance

Please see the attached Notice recently issued by HUD, dated Feb 26 2015. I need to digest this information further before I comment further; accordingly, I am going to wait a few days before I distribute a new revised Procurement Policy template that I referenced in my Notice last week. I hope to complete these tasks by the end of next week.

Housing Agency Procurement Assistance

I have a consulting practice providing procurement- and contracts-related mentoring, training, and technical assistance to housing agencies. I help housing agencies conduct procurement and contracts in a HUD-compliant and "best practice" manner. [Click here](#) to see my full resume. Please do not hesitate to contact me if you have any questions or concerns pertaining to procurement and contracts (initial answering of questions is "no charge"). As I am either on-the-road or on the phone a lot, an initial contact by e-mail is best; please be sure to include your return telephone number (office/cellular) so that I can call you back.
