About Housing Agency Procurement Assistance

I have a consulting practice providing procurement- and contracts-related mentoring, training, and technical assistance to housing agencies. I help housing agencies conduct procurement and contracts in a HUD-compliant and "best practice" manner. [Click here](#) to see my full resume. Please do not hesitate to contact me if you have any questions or concerns pertaining to procurement and contracts (initial answering of questions is "no charge"). As I am either on-the-road or on the phone a lot, an initial contact by e-mail is best; please be sure to include your return telephone number (office/cellular) so that I can call you back.
